

## Joseph Ayo Babalola University Celebrates International Women's Day with a Digital Technology Seminar

Joseph Ayo Babalola University's Management celebrated International Women's Day 2023 by organising a seminar with the theme “Harnessing Opportunities in Digital Technology” and a sub-theme “Opportunities and Threats Confronting Female Gender in the Digital Era.” The Vice-Chancellor, Professor Olasebikan Fakolujo, represented by the Dean of Management Sciences, Professor Festus Epetimehin, expressed the University's recognition of the significant contributions of women to the institution's success.

Fakolujo highlighted the importance of the seminar's carefully selected theme and urged participants to pay close attention to the lecture. He emphasised the

impact of the digital gender gap on women and girls in digital spaces and addressed online, ICT-facilitated gender-based violence.

The seminar's speakers included the guest speaker, Professor O.F. Osundahunsi, the first female Dean of the School of Agriculture and Agricultural Technology at the Federal University of Technology, Akure, and the Head of the Department of Food Science and Technology at Joseph Ayo Babalola University, Dr. Yetunde Esan.

The present administration acknowledged the activities and commitment of all the women in the university, and the event was held to celebrate and recognise their invaluable contributions.
