About the Journal

The *JABU International Journal of Social and Management Sciences* is established with the primary objective of providing a platform, for the presentation, review and publication of research results and scholarly papers in the Social and Management Sciences. The Journal is international in outlook, and can be readily accessed by researchers, research organizations and the academic community in Africa, Europe, Latin America and beyond.

As a basic feature, the journal encourages current trends in interdisciplinary cooperation among various departments in the Social and Management Sciences and this with a view to finding a common platform for addressing contemporary challenges in a fast changing and seamless world of cyber technology, with its imperatives of pin-point accuracy and split second responses.

The journal publishes original research papers and reviews, dealing with Political Science and Public Administration, Economics, Business Administration, Population Studies, Actuarial Science and Insurance, Entrepreneurial Studies, Financial Accounting and Mass Communications, Research efforts in Sociology, Psychology, Geography, and International relations as well as scholarly papers in peace and Conflict studies are also relevant.

In this regards, JIJSMS is intended for scholars who wish to publish results of completed research works or reviews of literature as well as discussion of theoretical or policy issues in the aforementioned disciplines. Its main focus is to provide a forum for the exchange of ideas across disciplines and academic/orientations in the Social and Management Sciences.

Articles intended for publication in JIJSMS may be submitted online, preferably in Microsoft word (2003 or 2007) format. Submissions may also be sent by post. In such cases, three copies of the article (double spaced) should be sent to address stated below.

Submitted Manuscripts Should Contain:

- A short, informative title
- Author(s) name(s) and affiliations
- An abstract of not more than 250 words
- The main text: 500 - 6,000 words including all elements, abstract and references
- Referencing style should be the APA format
- Charts and figures should be created electronically
- A short biographical sketch about each author⁸

Manuscripts submitted for publication in JIJSMS are considered on the understanding that they are not being offered for publication elsewhere, and have not already been published. The publishers of JIJSMS do not accept responsibility for the accuracy of the data presented in the articles or any consequences that may arise from their use. Opinions expressed in articles published by JIJSMS are solely those of the authors.

The title page and biographical data will be removed before the article is sent for peer-review. The reviewers' identities remain anonymous to authors. The review process may take 2-3 weeks after which the reviewers' comments will be sent to the author. When preparing the final of an article for JIJSMS, an author will be expected to conform strictly with the journal's style requirement. Use the following system for arranging your references.

Reference and Reference Style

The responsibility for the accuracy of bibliographic citations lies entirely with the authors.

Citations in the next should follow the referencing style used by the American Psychological Association (APA). Authors should also avoid using footnote. Authors are advised to change footnote to endnote and explain the note after references. The following examples serve as guide:
